DCI Certification

STAT 6/19/80 - [redacted] says we are pioneering this requirement, so he can't say how others will approach it. It is his reading of the EO that we don't send anything to ISOO. We send a list to DCI recommending certification for the time indicated and keep his certification on file in case of inspection.

STAT [redacted] said initially the DCI wanted lots of detail on what he was certifying, but soon decided he had to trust his officers. Now signs rather skimpy listings.

Discussed above with Don. We feel the DARE system is the DCI's permanent record. If we feed it to him in increments by date, we could destroy listing and keep the certification letter with inclusive dates.
